If alcohol will be sold, made available or consumed by patrons of any event held at the Event Center the city requires that a police officer or employee be hired and attend the event as security. Failure to meet this requirement will result in forfeiture of the entire deposit / fees for the event. Any public event will be immediately terminated if it is discovered that no security officers are on duty at the facility. Private events = \$100.00 and one security person / Public events = \$200 and two security persons. See Contract...
